

# “A little bit of this, that and the other!”

A talk by Photographer Alan Fretten

Alan has been taking pictures since the age of 11 when he was given a Russian Zenith B SLR. Although he is better known for his outstanding travel photography he also takes pictures of many other things. His favourite saying is: “My best picture is my next one!”.

This talk includes a selection of his work encompassing Rock Bands, Sport, Motor Sport, Wildlife, a bit of travel, pictures taken in the UK and more recently exploring his passion for studio photography and models (it’s a mid-life thing apparently) so, as the title says, “A little bit of this, that and the other”

To book this talk, please contact Alan at [alan@i4apicture.com](mailto:alan@i4apicture.com) or 07918646317.
